Whiskerinos, Queens, Dancers, Prepare For Big OSD Celebration

This group of bewhiskered desperados are not really as ferocious as they appear. They are a few of the many contestants entered in th "Whiskerino Contest," which terminates at Campbell's Annual Old Settlers' Day celebration to be held February 22. Pictured left to right is Junior Wirth, Bob Wareham, and Alvin Carter, that man with those big trimming shears. The group is only kidding about cutting those beards until Old Settlers Day is gone for another year.

Jerry Long, member of Boy Scout Troop 30 of San Tomas, accepts an American Flag from Attorney Norman Stoner, chairman of the Campbell Rotary Club's community service committee. Stoner made the presentation at the Rotary meeting Monday. Also shown in the photo, from left to right, are Kenneth Robison, field executive Santa Clara Boy Scout council; Kenneth Wilson, secretary-treasurer of Troop 30; Long and Stoner; Eric Shuart, chairman of Troop 30 Scout committee; and Forrest A. Local Schools Face Double Sessions If Bradley Annexation Election Passes Feb. 23, Henley Warns PTA

The impending menace of double school sessions for Campbell Grammar School students was forcibly brought out Tuesday by Supt. of Schools William C. Henley speaking before members of the grammar school PTA at their regular meeting in the grammar school auditorium.

Henley warned that unless the impending annexation of the Moorpark school into San Jose is stopped, Campbell schools will be forced to absorb approximately 500 students into an already overcrowded school system. The other possibility, that of paying between 20 and 40 thousand dollars to the San Jose school system for educating the local students, is out of the question because of the financial burden it would force on the budget.

Anyone interested in this problem, which concerns every taxpayer in the area who would be paying for the bonded indebtedness of Moorpark after it is absorbed into the San Jose school system, is urged to do one of the following three things:

First: Financial aid to the anti-annexation committee, which is seeking to bring the case before the Superior Court to show reason why the City Council will not accept names on a petition to throw out the annexation movement to be voted February 23.

Second: Urge all friends in the Bradley district to vote "No" on the annexation ballot; and last, to write to State Assemblyman John F. Thompson, 29th District and Robert C. Kirkwood, 28th District Assemblymen, and urge that they initiate a bill which would do away with the inadequacies of law which permit the annexation of a school by another school district by artificially going out of their way to include the school in the proposed boundaries.

TIME SHORT

Time is very short to organize resistance to the movement, Henley warned, and everything must be done to stop the February 23 election, or to see that the measure fails. Double sessions in Campbell grammar school are only a recent thing of the past and the situation can be avoided by prompt action on the part of everyone.

New Head of Hunt Foods In Campbell

Hunt Foods, Inc., in Campbell, has a new superintendent in the person of Elvan A. Hansell, who succeeds the late Frank Silva.

Silva passed away in San Jose on January 15 after a long illness. The new cannery head was associated with the Hunt Brothers cannery in Los Gatos several years ago.

Other appointments in the local plant include the selection of Ross Barale as assistant superintendent and George E. Hartwell, second assistant superintendent. Hansell has been transferred from Hunt's Oakdale cannery, where he held a similar post. Mr. August P. Arzino, former assistant to the engineer for Hunt Foods in Hayward, has also been transferred to be master mechanic.

Expansion of personnel at the Campbell plant is in anticipation of greater activity in future seasons and a longer period of employment during the coming season.

Howard Smith Injured In Crash

Veteran Campbell mail carrier Howard Smith, 62, of 101 S. Winchester Road, suffered minor injuries yesterday afternoon in a three-car crash near the Cambrian District fire station. Other drivers were Miss Carol Alberta Frantz, 36, of 1051 Westwood Drive, San Jose, and Edward Bettencourt, 28, 138 Liebrandt Street, San Jose.

California Highway Patrol Officers Jack Harris and Kenneth Cramer reported Miss Frantz had stopped on the highway to make a left turn. Smith came to a stop behind her car, and Bettencourt's car rammed into Smith's. No citations were issued. A passerby took Bettencourt's wife and child to a San Jose hospital for check-up. Smith was returned to his home.

The accident occurred 70 feet south of Casey Road.

TOWN PREPARING ANNUAL FESTIVAL AS CONTESTANTS, PLAYERS, DANCERS LINE UP FOR OLD SETTLERS' DAY FEB. 22

.....Bewhiskered gentlemen in this neck of the woods are carefully cultivating that facial foliage as the "Whiskerino Contest" to be held in conjunction with Campbell's Annual Old Settlers' Day on February 22 approaches.

The contest for the bearded males is scheduled for 7:30 p.m. at the variety show on the day of the celebration. Judging of whiskers will be conducted during the show, which is scheduled for the Campbell High School auditorium.

Other interesting features of the variety show will be The Campbell Footlighters' presentation of a one-act play, a full-fledged minstrel show, specialty acts, and selections by the Campbell High School orchestra.

Old Settlers' Day will get underway at 10 a.m. on the 22nd day of February with registration at the Campbell High School Little Theatre. Registrations will be followed by the Old Settlers' Program, at which L. D. Bohnett, San Jose attorney, will hold forth as master of ceremonies in a discussion and anecdote session.

Richard Morton, the head man of this division of the celebration, is shopping around for early Campbell pictures—both of people and places. The chairman would appreciate the loan of such photographs so a photographic exhibit of early Campbell can be arranged.

Old Settlers' Day is just around the corner! Come one, come all. This is a day of fun for the young and old alike!

FOLK DANCERS

As February 22 draws near there is a great deal of activity among the members of the Circle Eight Mavericks, Campbell Folk Dance Club, and the members of the Campbell Adult Education Folk Dance class.

All details are being worked out for the Folk Dance Festival, which is part of Old Settlers' Day afternoon program.

Spectators are invited to view this afternoon program. The dance will be held in the high school gym and will be underway by the time the Old Settlers' Day parade is over. The program will end at 5:30 p.m. There will be seating capacity for approximately 1000 people.

All folk dancers are cordially invited to take part in the afternoon program which will feature dances from many countries of the world. American Square dances will be called by Mr. Carl Spencer and Mr. Harry Heffrin.

As a special attraction there will be a group of exhibition dances at 3 p.m. Some of the finest dancers from northern California will participate: The Valley Waltzers, the San Jose Polkateers, the Advance Circle of the Gay Nighters and the San Francisco Folk Artists. The many hours spent in the preparation of these exhibition dances will make this part of the program very much worth while.

Sponsors of this folk dance festival are the Circle Eight Mavericks and the Campbell Adult Education Folk Dance Class. The Circle Eights have been organized for a little over a year. They have been quite active, holding regular dances three times a month and have now made application for membership in the Federation. The Campbell Adult Education Folk Dance class has been meeting for the past 3 years on Wednesday nights. They have been directed by Mrs. Alice Spencer until the first of this year. Since that time they have been taught by Mr. Carl Spencer.

QUEEN CANDIDATES

From all indications, the race for Queen laurels is going to be a close contest all the way. The Misses Jey Brown, Janis Henley, Jacqueline Silberbauer and Rebecca M. Perez are campaigning at present, but registration for new applicants is still open for the title of her highness, the Queen of Old Settlers' Day.

So get busy, young ladies, and register immediately. Applications arebeing taken by Chairman Eugene Barnes at the office of the Campbell Press. With the honor of being chosen Queen of this big celebration, goes the spoils — a complete coronation attire and prizes galore.

AWARDS

To the fortunate young lady will go a square dance costume from Rachel's, a hair drier from Burnett's Appliance Store, Accardi's will give a Philco Record Player, Tn'T Variety will present a bedroom lamp and an English bone China tea cup and saucer from the What Not Shop. Hold your hat, there's more to come. A permanent will be given to her higness by Alma's Beauty Salon, simulated pearls have been donated, while Clarks' Drug Store is giving a bottle of Anticipation Cologne. Tommy Blackmun's Campbell Florist is presenting a bouquet of roses and corsage, a dress is being given by the Dolly Ann Shop, from the Rozanne Shop will come a sweater and the Campbell Hardware will give $10.00 in cash.

The queen will be crowned and showered with these gifts at the Chamber of Commerce-American Legion dance to be held at the Campbell High School gymnasium. Her highness will be selected on the basis of points derived from ticket sales. Candidates will receive one vote for each ducat sold for the Old Settlers' Day Dance or evening show. Tickets sell for 50c for the show and $1 for the dance. Student tickets for the dance go at 50 cents.

Deadline for turning in tickets is 4 p.m. on February 20. However, late applicants still have plenty of time to get into the thick of the race for the coveted title of Queen. Attendants for the Queen will be the young ladies who finish in second and third place positions in the contest.

Now is the time for the fairer sex of Campbell to come in and register for the Queen contest.

Legion To Request Night Sessions In Judge Blaine's Justice Court

Institution of night sessions in Campbell Justice Court will be requested of Judge John D. Blaine by Campbell American Legion Post 596, officers of the post revealed this week. Post Adjutant Ed Lee has been authorized to prepare the letter which was to go out this weekend to the Campbell judge.

Officers explained that night sessions will be necessary when the local parking ordinance takes effect February 19, since Campbell Legion Volunteer Patrol members will be enforcing the measure. Parking violators will appear before Judge Blaine, and patrol members will be expected to appear with them and present facts of the violation. Since patrolmen are serving on a volunteer basis, their appearance at daytime session would necessitate too great a loss of time off their regular jobs.

County Sheriff Howard Hornbuckle already has conferred with the patrol on the parking ordinance enforcement and has told members they will have the job of enforcing it.

Meanwhile, patrol members are continuing their regular volunteer patrol duties, and have agreed, also, to handle police patrol duties for the Old Settlers' Day celebration here on February 22.

Latest contribution toward expenses of the volunteer patrol was a donation of $35 from the Americal Legion Auxiliary Wednesday night. This and other donations will assist the group in carrying on its law enforcement activities and to purchase needed equipment. Other recent donations were $2 from Earl's Barber Shop, $10 from a woman who asked that her name be withheld, $3.65 from Bernard Barrett, and $1 from a motorist who wished to thank patrolmen who held a flashlight one evening while the motorist changed a flat tire.

ASK CITIZEN SUPPORT

Five hundred letters will be mailed out to local residents this weekend asking their support of the patrol. The letter explains the duties of patrolmen and costs of the volunteer services. Patrol Captain Jack Chappell commented that if each of the residents would give a contribution equivalent to estimated cost of hiring other police protection, the patrol fund would have at least a start. These 500 letters are the first in a total of 3200 letters to be sent to every resident of the area served by the patrol.

Asked for a partial list of patrol expenses, Chappell said cost of bonding the 21 members each year is $5 apiece; badges, $2.50 each; gas and upkeep of the patrol car, $2.50 per night. The patrol car now used is owned by one of the members. Cost of a fully-equipped car, with red signal lights and police radio, was estimated at $2000. In addition to the above expenses, there is to be the cost of insuring each member of the patrol. Regulation side arms, with pistol, holster, handcuffs, belt and whistle, would cost about $200 per set. Some of the men have bought their own side arms. Uniforms for the whole patrol would cost about $250 per year.

During the month of January, patrol members turned in 1052 man hours on active patrol duty; they covered 241 miles in the patrol cars; served on traffic control duty for two hours, warned 18 motorists about improper lights and six motorists for failure to observe stop signs. Patrolmen held three motorists for the California Highway Patrol after the drivers failed to heed warnings of traffic violations. In addition, the men handled one report of a stolen car and a report that five chickens had been stolen.

Jaycees To Have Pancake Sale On Old Settlers' Day

All the fresh, hot pancakes you can eat for fifty cents. That's the slogan for the Campbell Junior Chamber of Commerce food booth to be operated in connection with the Old Settlers' Day celebration Wednesday, February 22.

The booth will operate during the hours from 5:30 to 7:30 p.m. at the Campbell library building. Sausages will be served with the pancakes. Ko-ko the Pillsbury clown, will be the chef. With every sale, Ko-ko will give away free a 20-ounce package of Pillsbury pancake mix. Proceeds will go toward Junior Chamber of Commerce civic activities.

Rotary Club Hears Former Sub Chief; Group Presents Flag To Boy Scouts

The sinking of a 60,000 ton Japanese aircraft carrier, largest ever built, was vividly described by Vice-Admiral Charles A. Lockwood, U. S. Navy (Ret.) former wartime Commander Submarines, Pacific Fleet, when he addressed the Campbell Rotary Club Monday afternoon.

Monday's meeting also marked the presentation of an American flag to Troop 30 of the Boy Scouts by Norman Stoner, chairman of the community service committee of the local Rotary group. Scout Jerry Long accepted the flag in behalf of the San Tomas troop.

Lockwood, who is a resident of Los Gatos, was introduced by Clifford T. Cassiday, who acted as chairman of the day. The co-publisher of the Campbell Press was a member of Lockwood's staff during the war.

The former sub chief told how American underwater craft sank millions of tons of Jap shipping and 600,000 tons of enemy warships. Lockwood remarked that a demolition party was sent ashore from the submarine "Barb" to "sink" a Jap railroad train. Subs were also active in air sea rescue missions in the Pacific war, according to the retired navel officer.

Forrest Reese presided at the Rotary gathering in the IOOF Hall. After luncheon, the group vocalized several selections to the piano accompaniment of Virginia Rutherford. Directing the singing was David Rutherford.

Business Zoning On Winchester Still Hanging Fire

Still under advisement this week was the petition before the Santa Clara County Board of Supervisors to extend Campbell business district west in to lots owned by E. R. Kennedy at Winchester Road and Catalpa Lane.

A petition filed by over 20 residents of the area adjacent to the lots was filed before the board by Attorney Hugh C. Center, who stated that his petitioners objected to the change primarily because a mortuary would be erected on the property if the change goes through. He also charged that extension of the business zone is a violation of tract restrictions drawn up by Kennedy when he originally subdivided the lots. Whether or not recent action by the Board of Supervisors will supersede the old agreement is the problem at issue.

Boy Scout Week, which is being celebrated from February 6 to 12, has special significance this year because this great organization is just completing 40 years of activity and service.

The work done by the Scouts, particularly by the tens of thousands of adult volunteer leaders, has made a signal contribution to the development of finer ideals among the youth of this country and the establishment of higher concepts of citizenship.

In the recent war, the Boy Scouts did a tremendous job in their own field to aid the war effort. In peace they are working with Scouts of other nations to achieve understanding and lasting friendship among men.

This country can wish nothing less than continued growth and success, even surpassing that already attained, in the interest of the scouts, the youth of the nation, and the future of the United States.

In Campbell the continued growth of this national organization is reflected in the increase of 55 percent this year over the registration for the past year. On January 1, 1949, there were 312 boys in the 15 local units. As of January 1, 1950, there were 485 boys in the various groups, an increase of 173 within one year.

There are eight Boy Scout troops in Campbell, six Cub Packs, one Explorer Post, a total of 15 units in all. Laurance J. Hill is the district scout chairman.

While the growth of the scout movement in this area is most gratifying, and a commendable reflection upon the ability of the adult leaders and committee members, the service of these adults is limited by their numbers. More boys want to become Cubs, Scouts, Explorers—more troops are needed, but until these troops can be formed, there must be more leaders. Fathers of Scouts or other qualified men can fill this need. The scouts need leaders, and, if the scouts need them, so does this country, for such organizations as the Boy Scouts of America build and are the firm foundation of the democracy of the United States.

High School PTA Observes Annual Founders' Day

Mrs. Mary Dennis was awarded the life membership pin at the Campbell Union High School Parent-Teacher Association Founders' Day program Wednesday afternoon at the school. The pin was presented by Mrs. Ray Flagg.

In keeping with the Founders' Day theme, the PTA insignia, which had been on display in the Campbell Cleaners' window and which Benson's has donated to the Campbell unit, was on display at the meeting.

Mrs. Ray Wood, Founders' Day chairman, introduced the guest speaker, Mrs. Jessie Shelley, who gave an interesting talk on the history of the PTA. Past Presidents at the meeting were: Mesdames Jessie Shelley, Emily Duncan, J. W. Knowles, E. A. Coonradt, F. A. Jacobson, Anthony Jurras, Carl B. Field, C. E. Fagalde, Earl Booker, Ray Flagg, Alfred Weltz, and James Gleed.

Life members present were Mesdames Ray Wood, Rex Fuller, Ray Flagg, Leslie Wilson, C. E. Fagalde, Anthony Jurras, J. W. Knowles, Charles Mitchell, Alfred Runge, H. C. Grimes, E. C. Hanson and Mr. Laurance J. Hill.

A beautifully decorated Founders' Day cake was served with coffee at the close of the meeting by Mrs. M. Stepovich, Mrs. B. Scofield, Mrs. F. Oldham and Mrs. Malcolm Blue.

Piano solos were played by Miss Rosemarie Magnasco during the program. Mrs. Dan Gould, Mrs. Laurance J. Hill and Mrs. Rex Fuller were appointed to serve as a nominating committee.

Plans were made to hold a card party, to be held Saturday evening March 18, to increase the scholarship fund. All kinds of card games will be played.

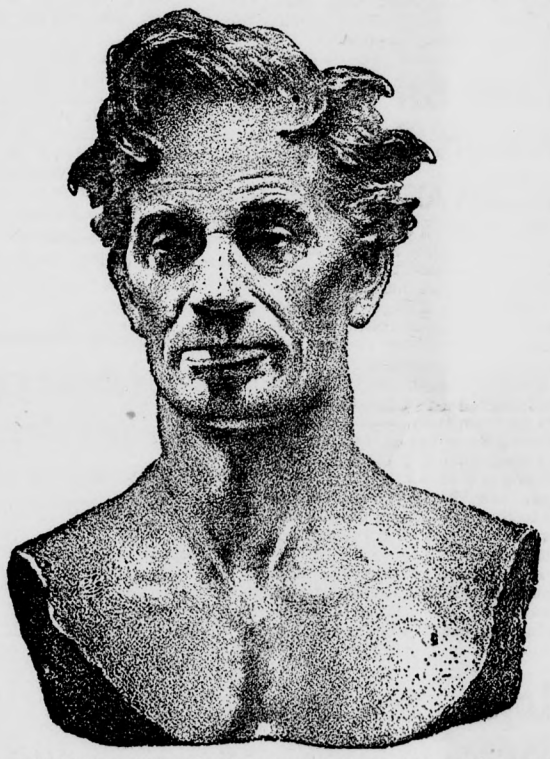
"He always was smart, if you recall, at running from one good fox hole to another . . . !"



ABRAHAM LINCOLN—what would he think of his country today? He'd be a little mixed up at first probably. Our skyscrapers and traffic, streamliners, airplanes would certainly bewilder him. He'd find our baseball crowds, television, movies, bobby-soxers confusing—and maybe amusing. And our gigantic industrial development—our enormous production, South as well as North, would surely astonish him.

But we think Mr. Lincoln, once he found his bearings, would be proud of America—proud and grateful for a land and people truly united . . . and progressing steadily toward even greater unity.

Think of America in 1862; compare it "four score and seven years" later.

The nation was riven in a cataclysmic Civil War. Hatred was rampant. Five million of our people were slaves. Lee was about to invade Pennsylvania, Sherman to destroy Georgia. And, in addition, there was an Anti-Masonic Party, an Anti-Catholic Party, an Anti-Negro Party—and doubtless an Anti-Everything Party—all ready to overthrow the country to attain their ends. Suspicion, hate, mistrust everywhere.

Today "Dixie" is sung proudly in Boston, "Yankee Doodle" in Atlanta. Detroiters brag about Texas. Southerners boast of their fine Negro colleges at Fisk, Meharry and Tuskegee. Protestant, Catholic and Jewish clergy appear on the same lecture platform to an applauding audience. Spaghetti, sauerkraut, bagles, chop suey, chili—all are hailed as American dishes, as indeed they are. Jewish governors, Catholic senators, colored Major Leaguers are proof of American brotherhood. In trifling ways and in big ways, American unity demonstrates itself today.

Most of us would be the first to agree with Mr. Lincoln that we still have a long way to go. But the spirit is there—the direction is right. More and more, as the years pass by, we are becoming a people "with malice toward none, with charity for all."

New Method Of Handling Meat By S. J. Firm

What has San Jose got that San Francisco and other communities haven't got?

Why do cars come from the Bay area, Monterey, Santa Cruz and all of Santa Clara County and line up in front of the Western Cold Storage Company, 40 N. 4th street, particularly on Saturdays?

The answer is meat—grade A, government stamped steer meat—selling just over cost.

Furthermore, the meat can be bought on the budget plan—an easy-to-pay plan financed by the American Trust Company.

Says James W. McIver, proprietor of the Western Cold Storage Company: "It appears that when we decided to sell meat at from 1 to 1½ cents profit by eliminating the grossly inefficient handling between consumer and producer, we really started something.

"Beef on the hoof costs today 11 to 24 cents a pound. Dressed out it runs from 22 to 40 cents a pound. By eliminating all the rest of the handling we can sell at from 24 to 44 cents a pound. The 44-cent price is for Grade A beef. And we can make money at those prices.

"Our butchers spend all their time cutting and packaging. They do not have to stand around waiting for customers to make up their minds how thick they want their steaks cut. Our customers come in, order, fill out their credit slips, and are on their way almost before they know it.

"People say there is a meat war on. That isn't so. True, some packers refuse to sell me meat at fair prices, but the others are for me to a man. The farmer is for me, for he gets his price for his steers. Customers are for me. If you doubt it, count the cars in the parking lot."

McIver went on: "I'm happy that my idea went over big. That means that it will go over nationally. It means that the consumer will be getting his meat at reasonable prices everywhere within a year or so."

McIver predicts that within 10 years, retail meat markets will be a thing of the past. All meat will be sold pre-packaged. He has worked out designs for a machine to cut meat that takes a whole quarter of beef, cuts it, and packages it in exactly one minute.

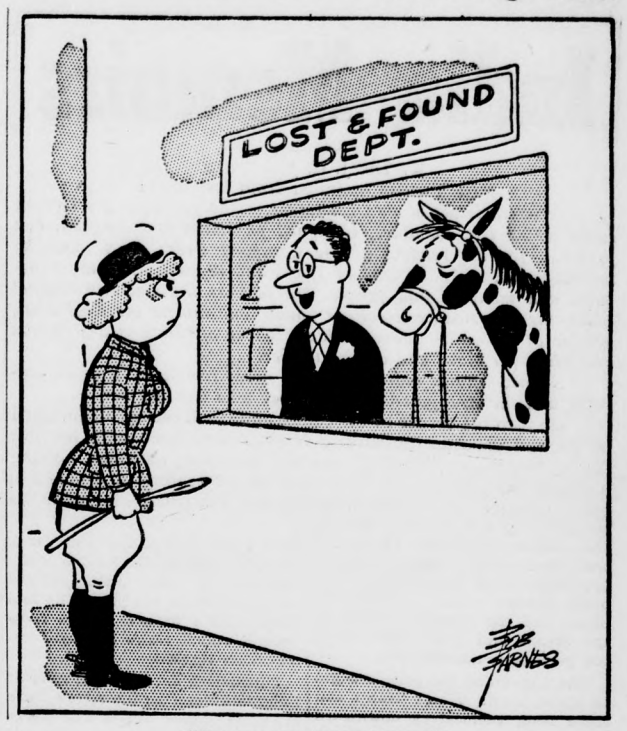
His plan is to deliver pre-packaged meats right to the homes of customers within a year. They will order a week's supply at a time. They will say, "Send me a package No. 4, package No. 7, and package No. 11." His truck will drive up with, let us say, four T-bone steaks, a five pound pot roast, and eight pork chops. The price? One to 1½ cents above cost.

McIver was born on an Ontario, Canada, farm. Even as a boy, he resented prices got for meats by farmers as compared with retail prices. When the day came that he had suficient capital to make the experiment, he did. He bought the Western Cold Storage Company. A few weeks ago, he announced his new policy.

Business doubled, trebled. One packer told him last week: "Your meat orders today are larger than all of my other customers combined."

National magazines are bidding for articles on McIver's meat selling plan. Big packers are lining up against it.

Says McIver: "It will be a nifty struggle."



"Can you describe it, Ma'am?"

"Wish we lived in Campbell"

'That's why park commissioners should be elected, not appointed."

India Memoirs

By Dr. J. C. Johannes

Part Two—Continued from last week.

Herewith is the second istallment of the fascinating series on India which Dr. Johannes, Campbell physician and surgeon, has prepared for the readers of the Campbell Press. Last week he introduced us to India, land of spices and mysticism, strange customs and manners and people. He told of the Calcutta market place, the hot, steamy street car which took him to the Kali Ghat, temple of the four-handed goddess whose attribute is destruction and thirst for blood and death-sacrifice.

Below, follows more about the great temple of Kali in Calcutta, and the strange customs of those who worship her . . .

We turn the corner of the edifice and reach the open courtyard at the end opposite the shrine. We are confronted with horrible scent. Two priests stand by, one with a cutlass, the other holding a frightened young goat. Now we hear the beating of drums and gongs mingled with the bleating of goats. The priest who holds the swings it up and drops it holding the head in a cleft post. The priest with the cutlass in his hand severs the head with one stroke. The blood gushes forth on the pavement, and the deafening noise of the drums and the gongs before the goddess is accentuated.

The crowd and the priests begin to shout 'Kali!' 'Kali'! 'Kali'! and some fling themselves downward in worship and adoration. Some women from the maddening crowd rush forward to drink some of the "precious" blood with the hope of bearing children. The horrible misshapen mangy dogs are there to get a taste of the blood. Thus about two hundred goats are killed each day to satisfy the bloodthirsty goddess.

There are many other objects that attract the attention of the tourist as he passes through the lanes in the temple courtyard, such as the many gods and goddesses bedecked with flowers and jewelry, perched in niches here and there, the hordes of mendicants and naked Fakirs—"holy men" — seated along the walls, begging.

BURNING-GHAT

Leaving the temple we cross the street and lo, another picture appears before us, the temple burning-ghat. The Hindus as a rule do not bury their dead but cremate them. We do not see the mausoleums and crematories such as the ones we have in this country. Instead we are ushered into an open court with four walls around it. There are several pits dug into the ground. Calcutta having a Hindu population of over a million is a constant feeder and here we see the ceremony in its various stages. First we see several fires in process. Dead bodies in these fires are being cremated.

In front of a small temple we see a beautiful young lady lying motionless on a cot. The parents are standing nearby. The Brahman priest bent over is performing the last rites by annointing the mouth, eyes, ears, etc. with oil. The body is lifted now and put on a pile of wood stacked in one of the pits. More wood is laid on the body. Then the husband of the dead goes around the pyre seven times then throws the torch into the wood. Flames enshroud the body and the ceremony is done. After several hours the ashes are picked up and strewn on a branch of the river Ganges which flows nearby.

SACRED RIVER

This indeed is the sacred river of India, although all the rivers there are more or less sacred. The banks of this river are lined with pilgrims who come not only from the city but from distant places. Many of the sick who have enough strength come here to drink of the water, first having bathed in it. To those too ill to come, their friends carry the water. This is the water that is used to wash the feet of the goddess Kali and the priests and which is drunk by the devotees. Our attention is attracted by several kids which are being purified in the holy stream prior to being sacrificed at the temple.

Walking along the main streets of the big city we see the huge Brahman bull walking aimlessly on the sidewalks. He is not molested by anyone as he has the right of way everywhere. One of his worshippers approaches him and reverently touches him, then puts his hand on his own forehead, thus imparting virtue from the sacred bull to himself. All the cows and most animals for that matter are worshipped by most Hindus. These animals are usually fed by the shopkeepers and are very well preserved. In Hindu communities cattle are not slaughtered for meat.

HAIR TONIC TO VEGETABLES

One of the great attractions in Calcutta is the Municipal Market where under one roof there are several hundred shops selling everything imaginable, from hair tonic to kitchenware, and fruits, vegetables, dairy products, shoes, yard goods, mattresses, carpets, curios, etc. This is where the foreigner is outdone in buying curios, as he is not used to the methods used by the natives. If he buys the goods without bargaining the shopkeeper hasn't enjoyed the transaction.

On the western end of the city are other interesting places such as the Marble Palace, where one could spend a day viewing the beautiful marble statues, and the Jain Temple with its pools and marvelous temples of colored tile in mosaic pattern.

Supervisors Act On Legion Petition For Traffic Signals

Fourth District Supervisor Joseph M. McKinnon and County Surveyor Robert B. Chandler have been requested by the County Board of Supervisors to investigate the traffic situation at the intersection of Campbell and Winchester Avenues. The move was in answer to request of Campbell American Legion Post 596 for installation of traffic lights at the intersection.

Officers of the post indicated that present traffic conditions at the intersection are unsafe and create a hazard for children of Campbell Elementary and High Schools who cross the streets there. Further, rerouting of traffic when construction begins on the Route Five highway extension will create a heavier vehicle load at the intersection, the Legion Post has explained.

Letters were sent by the post to 30 organizations and schools in this area asking support of the Legion efforts to obtain the automatic traffic controls.

STOP SIGNS

Arterial stop signs were authorized by the County Board of Supervisors Monday at intersections of Milton and Campbell Avenues, Carlyn and Campbell Avenues, Thornton Way and Moorpark Avenue, Ginger Lane and Moorpark Avenue.

Bradley Property Owners Await Reply To Mandamus Action to Halt Annexation

Counsel for owners of 377 parcels of property in the Bradley Manor annexation area filed mandamus action in Superior Court Monday to halt the pending annexation election.

After Attorney John M. Burnett had filed the action, Superior Judge Byrl R. Salsman issued an alternative write of mandanus ordering the seven members of San Jose City Council to appear in court Friday, February 17, at 10 a.m. to show cause why the writ should not be made permanent.

Burnett served copies of the action on the councilmen at their meeting Monday night, and City Attorney Robert E. Cassin accepted service in their behalf.

Cassin and his assistant, Eugene Rendler, are expected to file the San Jose City answer to the action early next week. The city will enter a general denial of allegations contained in the opponents' action. Opponents of the annexation election have charged that the City Council arbitrarily deprived them of their right to a public hearing before the council when it rejected their petitions of protest and called for an election to be held February 23.

At the January 31 meeting of the council, petitioners' names were rejected by the council on grounds owners of a majority of the separate parcels of property had not signed the petition. Former San Jose City Manager O. W. Campbell was reported to have indicated a through check of the full list of names was not made.

New members to date are: What Not Shop, Curry Plumbing and Heating, Tn'T Variety Store, Claude R. Smith, real estate salesman, Merl S. Cook, real estate salesman; Attorney Martin S. Walsh; Court's Cabin, Cambrian Meat Market, Herman Busack, E. A. Ballou, House of Carpets, The Campbell Meat Market, M&M Ice Cream, Santa Clara Stove Company, Campbell Self-Service Laundry, A. H. Southerland, hardware salesman, and the Rev. Corwin H. Olds.

At the chamber meeting Wednesday, final preparations for the Old Settlers' Day celebration, sponsored by the chamber, will be discussed.

Next meeting of the board of directors will be on February 20.

Spring Styles To Be Demonstrated To Extension Group

A home demonstration agent from the county ofice will be on hand to demonstrate spring styles and remodeling when the County Extension Service meets March 3 in the First Methodist Church parish house in Campbell.

At the last gathering of the group held February 3, Mrs. A. N. Johnson and Mrs. Andrew Bykowski presented an interesting show on tailored and dressy clothes. The local group enjoyed the demonstration and is looking forward to more style shows in this area.

Laurance J. Hill Presents Student Officer To Kiwanis

Laurance J. Hill, chairman of the Kiwanis meeting Tuesday, called attention to the rapid growth of the Campbell community and also the need of such groups as the scouts with their able leadership.

Student guest from Campbell High School at the Tuesday gathering was Barbara Shockley, secretary of the student body. In introducing Miss Shockley, Principal Hill gave a resume of her many activities at high school.

Ken Robison, scout representative from the county office, discussed scouting and concluded his speech with movies of the camp ground in the high Sierra Mountains. This camp was recently acquired by the county council and at present is in the state of being prepared for future use. Many local men volunteered their assistance and aid in improving these grounds, and it was motion pictures of these activities which were screened.

Tuesday's program was in observance of the 40th anniversary of Boy Scouting. This birthday of the Scout movement is celebrated all this week as Boy Scout Week throughout the nation.

Visitors at the Kiwanis meeting were Tom Carey, Los Gatos; Andy Anderson, San Jose; Len Hall, Campbell; Homer Hyde, Campbell; and Bert Burda, Campbell.

Coach Bill Perry Accepts Position At San Jose State

Head Foootball Coach Bill Perry of Campbell High School has accepted appointment as assistant football coach at his alma mater, San Jose State College. Announcement of the appointment was released this week by District Superintendent Laurance J. Hill.

Perry will terminate his post at the local high school at the end of the basketball season. Perry came to the high school sports staff two years ago following his graduation from San Jose State.

Mr. and Mrs. Perry will continue to live in this area on Bluebird Avenue. They have one daughter, Robin, 3.

Hill announced that the high school board is interviewing candidates for the position. Selection of a new coach probably will be announced in September.

Loyal Americans Invited To Attend Lincoln Dinner

All loyal Americans, regardless of political faith, are invited to a dinner in the Scottish Rite Temple, Third and St. James Streets, San Jose, February 11, at 6:30 p.m., celebrating the birthdate of Abraham Lincoln, founder of the Republican party.

Speaker for the evening will be the Hon. Richard Nixon, Congressman from Southern California and a Republican candidate for the United States Senate. Since his election to Congress in 1946, Nixon has become one of the nation's outstanding legislators, and one of communism's most outspoken foes. Nixon, who will speak on the dangers which confront our nation today, is the ranking Republican member of the House Un-American Activities Committee, where he is credited with "breaking" the Hiss-Chambers espionage case.

Nixon's activities as a Congressman, through his membership on the important House Committee on Education and Labor, the Herter Committee which reported on European needs prior to enactment of the Marshall Plan, earned him a place among the nation's "ten outstanding young men of 1947" selected by the United States Junior Chamber of Commerce.

Chairman of theo affair is Robert G. Free, secretary of the Santa Clara County Republican Central Committee. He is being assisted by Mrs. Urban A. Sontheimer and Mrs. Vivian Greiner, Council of Republican Women; Mr. Leonard Wade and Mrs. B. C. Wiley, Young Republicans; Mrs. H. F. Fisher, Pro-America; and Norris James of Palo Alto, president of the Santa Clara County Republican Assembly.

Moorpark PTA Plans Founders' Day For Tuesday

Observance of Founders' Day is planned for the Moorpark Parent Teacher Association meeting to be held Tuesday, February 14, at 2:30 p.m. at the school.

Guest speaking honors will be taken by Mrs. Leslie Wilson, sixth district president. Highlight of the program will be the presentation of a life membership award to an outstanding local PTA worker. Money for this membership goes to a scholarship fund for college aid to deserving students. Miss Betty Price, a PTA scholarship student at San Jose State College, will be introduced to the unit.

Also scheduled to speak is Richard Gordon of the Campbell music department, who will discuss the development of a school orchestra. The business meeting will feature the election of an officers' nominating committee.

Hostesses for the meeting are the second grade mothers.

Year Of Progress Reported By Officers At Congregational Church Annual Meet

Stanley B. Smith was elected to the board of trustees of the Campbell Congregational Church at the annual meeting of the congregation Wednesday evening. The well-attended meeting began with a potluck supper. A surprise feature of the supper was presentation of a birthday cake to Marvin Scarper at the Pilgrim Fellowship table.

During the business meeting, reports of officers and committee chairmen disclosed that 1949 was a year of definite progress in development of the church. A net gain of 32 church members was reported, with average adult attendance of 111 at Sunday morning services. In addition, the reports showed an increase in all activities, considerable improvement of property,payment of $1,000 on the parsonage debt, and total receipts for the year amounting to $8,387. Recommendations of the Church Planning Committee and the committee on revision of the by-laws will be made at a subsequent meeting to be called soon.

NEW OFFICERS

In addition to election of Mr. Smith to the board of trustees, others elected for 1950 were: Henry Stoner, deacon; Mrs. C. R. Williams, Mrs. Vestal Royce, Mrs. Frank Blair and Mrs. William Burnett, deaconesses; Miss Ruby Crow, clerk; Mrs. Ray Wood, financial secretary; Mr. Roy Archibald, treasurer; Mrs. Frank Coombs, Mrs. Howard Smith, Mrs. John R. Pollard, music committee; Mrs. John Duncan, superintendent of church school. The minister of the church is the Rev. Corwin H. Olds.

Laurance J. Hill And R. Gordon On School Committee

Preparations for an election of delegates to the Bay Section and the State Council, CTA, are being made by the Santa Clara County election committee of the Bay Section, California Teachers Association.

County Superintendent of Schools O. S. Hubbard is incumbent as State Councilman. Office terms expire on July 31. In addition to the incumbents, the committee includes Walter Hunting, Gilroy High School, chairman; Miss Lillian Coates and Miss Laura J. Thram, Alum Rock District; Mabel Farley, Orchard School; Robert Lyman, Barron Park school; James Nudelman, Mountain View High; Laurance J. Hill, Campbell High, and Richard Gordon, Campbell Elementary school.

Officials Discuss Jr. College District

Laurance J. Hill, district superintendent and principal of Campbell High School, represented this area when county high school officials discussed organizational problems entailed in forming a junior college district at a meeting Thursday in Hotel Sainte Claire.

The possibility that a junior college district might be formed within Santa Clara County came to light recently. Emil R. Buchser, superintendent of the Santa Clara Union High School district, remarked that there is a need for such an institution. He points out that San Jose State College is limiting junior college students because of crowded conditions. Buchser said that many Santa Clara High School and other county school graduates are being placed on a probationary status for entrance to the San Jose college.

County Superintendent of Schools O. S. Hubard and other top officials from county schools will discuss the problem. All districts invited to the meeting could be legally included in a junior college district.

Laurance J. Hill of the Campbell High School discussed California Teachers' Association business and legislation when he spoke at the meeting.

WE SALUTE
OUR BOY SCOUTS!
When Lord Robert Baden-Powell, the Englishman, conceived the idea of the Boy Scouts and, later, our own American, Dan Beard, furthered and promoted the idea here, neither, we suspect, ever dreamed what world-wide fountains of Youth he was putting in action! Today the Boy Scouts are the flower of young manhood in every quarter of the globe. Their deeds are legion. Their clean, manly characters shine forth from their scrubbed faces and the trim uniforms they wear. How very proud we fathers and mothers of Boy Scouts should be! Their merit badges are a symbol of sincerity, eagerness to serve and pride in their organization. God bless them all. They'll be leaders tomorrow!

Blaine To Be Asked To Hold Night Sessions

Leo Park, commander of the American Legion Patrol, stated Friday that Judge John D. Blaine would be asked to hold night sessions in the future in order that members of the Legion patrol issuing citations would not have to take a day off from work to appear before the court when the persons have been arraigned.

Night sessions would assure that members of the patrol would be able to appear before Judge Blaine and state the facts of the case. At present it is necessary for the members of the patrol to take time off from work to present the facts.

Robert C. Kirkwood, Assemblyman Of 28th District, Announces He Will Seek Re-Election To Legislature

Robert C. Kirkwood, Assemblyman from the 28th District, announced this week that he will seek re-election to the California State Legislature. Kirkwood, a Republican, who has served two terms in the Assembly, stated that he would file for both party nominations.

In announcing his candidacy Kirkwood said, "During my two terms in the California State Assembly, I have consistently worked for the best interests of Santa Clara County. My appointment to the important Ways and Means

Assemblyman Robert C. Kirkwood

and Education Committees is recognition of the qualities of leadership the voters of Santa Clara County demand of their elected representatives. My re-election will mean a continuation of this sort of representation."

Assemblyman Kirkwood, who is also a member of the Interim Committee on Governmental Reorganization, is considered by his colleagues to be one of the best-informed legislators on fiscal and school matters. "Experience in dealing with the problems of welfare and education will prove invaluable," the 39-year-old Assemblyman said, "now that state revenues are turning downward."

Kirkwood left Monday for Sacramento to attend meetings of the Ways and Means Committee which will be held between now and the opening of the legislative session March 6. These meetings will largely determine whether or not California must continue to have a billion dollar budget and what money will be available to meet the constantly expanding needs in the fields of education and welfare.

Feelings Important In Work of Public Health Nurse

The "feelings" of a patient about his illness and about his nurse are important factors in the work of the public health nurse with her patients. This emphasis was placed on the emotional problems associated with ill health by Mrs. Ruth Maher, chief psychiatric social woroker of the Mental Health Service of Santa Clara County, in a talk made February 2 to county public health nurses.

Miss Mabel Radcliff introduced Mrs. Maher to the fourth session of a "Mental Health Series" organized and sponsored jointly by the Mental Health Service and Health Department's nursing service of which Miss Helen Goodenough is director. In its three previous sessions the group had been led by Dr. Frederick Bradshaw, one of the psychiatrists with the Service, in discussions on "Emotional Development of the Human Being," "Mental Illness," and the "Types of Psychotherapy Now in Use."

"Interviewing Techniques" was the subject of the recent session. Mrs. Maher stated that the interviewer needs first to be clear about the purpose of the interview. Equally essential is an awareness by the interviewer of his own feeling as well as the feeling of the patient. Even where the primary purpose of the interview is to secure objective social or health information, subjective emotional factors in both the interviewer and the "interviewee" and the relationship between them are important.

Emotional Aspects

The nurses present agreed that the public health nurse, regardless of the health agency for which she works, is constantly required to deal with emotional aspects of her patient's problems. The nurse finds she can do her best job when she is aware of the feelings of the patient whether these feelings center about the illness, the nursing service available, or about the interpersonal relationships in the family or in the patient-nurse relationship as this changes from moment during the interview.

Nurses from school departments and the visiting nurses association also have been attending the series as have some social workers, teachers, and principals. Mrs. Alfreda Runge and Mrs. Marion Garrett, both of Campbell, attended the February 2 meeting.

Miss Margaret Johnson, public health nurse serving the Saratoga area, was present at the February 2 session of the series.

The minister, Rev. L. J. Osborne, will speak on the subject, "Reverence." The spiritual, "Listen to the Lambs," will be sung by the church choir.

BIRTHS

HUMMEL—To Mr. and Mrs. John Cory Hummel, 655 Kenneth Avenue, Campbell, twin sons, Gerald Curtis and Gary Allan, January 24, at O'Connor.

POPULAR RECORDS

Thirteen artists are busily swinging RAG MOPS around these days. It isn't often that a tune is done by so many artists. The only tune to top this in recent weeks was the the sixteen artists driving MULE TRAIN. I'd give the blue ribbon in the mop contest to Lionel Hampton for his version of RAG MOP (Decca 24855). Hampton gives the tune plenty of drive with a bounce tempo backing up the melody throughout. Vocals by the Hamptones is mellow and blends smoothly with the instrumental background.

Jack Fina turns in a couple of good sides on his latest M-G-M platter. SPAGHETTI RAG and SHANGRI LA both feature the maestro at the keyboard with orchestra backing and are without vocals. This pair make pleasant listening, although the piano has a rather tinny sound.

A couple of torchy ballads serve to introduce new thrush Joyce Bryant. Top deck is a fascinating piece of music titled DRUNK WITH LOVE (London 600) and the flip is called INDISCREET. This gal's vocal work is excellent and fits the mood of these songs like a glove. Phil Moore leads the orchestra behind Joyce and a great deal of credit must go to his splendid orchestrations.

Columbia is continuing to offer Broadway Shows with their original casts to the record fans. Latest offering in this most enjoyable series is GENTLEMEN PREFER BLONDS. Lorelie Lee, the heroine of this gay musical is already well known to the public through Anita Loos' book by the same name and the stage and film version of the book. Carol Channing as Lorelie Lee proves herself a comedienne of first rank. The musical score is lively and tuneful, definitely reminiscent of the Twenties.

CHILDREN'S RECORDS

The popular Bozo the Clown is now available on all three speeds. This is truly good news and our thanks go to Capitol Record Company for being the first to provide the public with the selection they wish at the speed they desire. If your children are not acquainted with Bozo the Clown and his most interesting adventures they have missed a great deal. The Bozo series with their Record Readers provide many hours of enjoyable and educational listening for the sand pile set.

CLASSICAL RECORDS

Among the many excellent new concerto recordings is one of William Kapell playing the PROKOFIEFF: CONCERTO NO 3 (RCA VICTOR). Although nearly thirty years old, this concert is still one of the most brilliant and effective "modern" concertos. Here, as always in Prokefieff's music, the musical structures are crystal clear; the melodic line is distinguished and distinctive and the orchestral score a model of inventiveness and clean logic. Kapell does an admirable job throughout the concerto, his work comes out clean in sound, detailed in execution and his highly developed sense of style does much to clarify certain portions for the listener.

The first of the new "45" RPM records of the London Gramophone Corporation have just arrived. London is the second of the record companies to put out their catalogue on all three speeds. The "45" show the same high quality of reproduction we have come to expect from this company. In LA VALSE by Ravel (London LGF-4) played by the Paris Conservatory Orchestra with Ernest Ansermet conducting we find this bitter but powerful work given a sensitive interpretation.

Buc Lightweight Cagers Continue Winning In SCVAL

Coach Bert Robinson's Campbell varsity basketball team pressed an outstanding Fremont High five before dropping a 39-31 verdict to the Indians on the local floor last Friday night, February 3.

In the preliminary fray, Campbell's B's topped the Papooses, 20-17, for their fourth league victory in five starts. Center Bray had the "Indian sign" on the invaders as he led the Campbell quintet with 12 points. Coach Bill Perry's lightweights are contenders for the SCVAL crown.

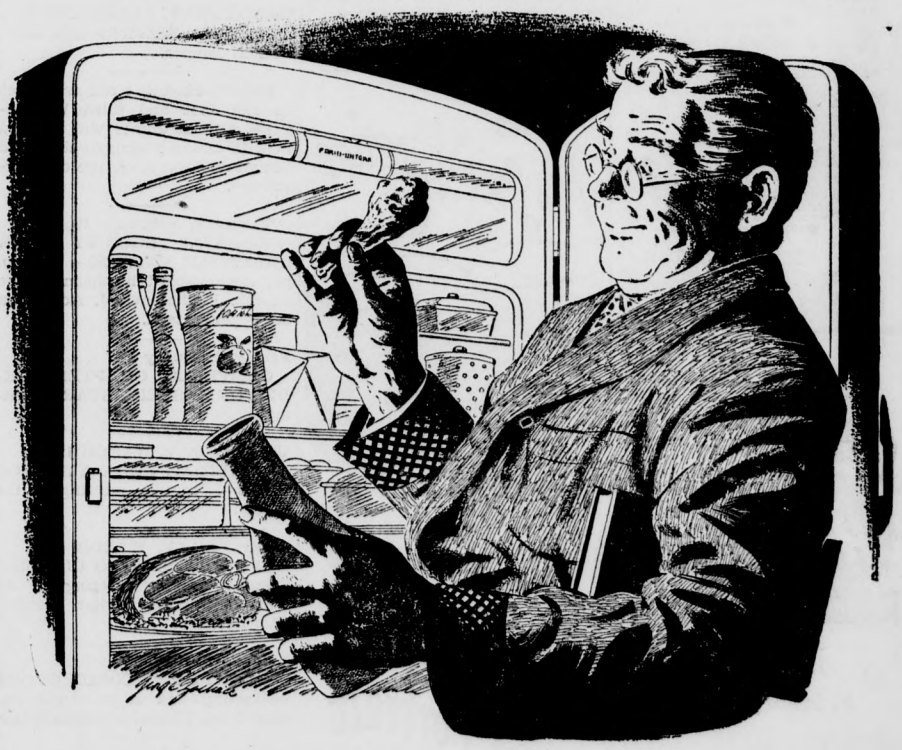
24 hour refrigeration for less than 2 cents a day



If you were to pick out one of the "best buys" in your home today, you probably would choose your faithful food-saving, money-saving refrigerator. You keep it stuffed full of snacks of food and, like a saving soul, it keeps meal left-overs savory and fresh for choice nibbling or another meal. On the average, the electricity for this food-saving refrigeration costs you only about 2 cents a day.

Summer Fruits and Berries are flavor-fresh delights for winter meals when stored quick-frozen in a Home Freezer. Wise food shoppers say — a Home Freezer pays for itself with food bargains bought and stored away.

It's a tough and rugged battle against winter's fury to keep your lights bright these days. More than 1000 men work early and late in sub-freezing weather to keep water flowing and to repair the storm-damaged lines.

For the record
Compare the amount of electricity available to customers in the P. G. and E. area with that produced in England under Socialism and in Russia under Communism.
256 Russia — 256 kilowatt hours of ELECTRICITY per capita.
850 England — 850 kilowatt hours of ELECTRICITY per capita.
2400 P. G. and E. — 2400 kilowatt hours of ELECTRICITY per capita.

State Income Tax Returns Due Soon

An estimated 600,000 new taxpayers will be required to file State income tax returns in 1950 due to decreased allowable exemptions, George R. Reilly, member of the Franchise Tax Board, reported today.

The decrease of allowable exemptions effective this year may mean an increase in tax to all individuals filing income tax returns, Reilly said.

Allowable personal exemptions are $2000 for a single person and $3500 for a married couple or head of a family. Returns must be filed by a single person or head of a family having a net income of $2000 or more, or by married persons having an aggregate net income of $3500 or more.

Carrying out the policy of assisting taxpayers in the preparation of their reports, plans have been made for representatives of the Franchise Tax Board to set up temporary headquarters in the various communities. Reilly said that important differences exist between the Federal and State income tax laws, and urged all taxpayers to take advantage of the assistance offered by the Board. No charge is made for this service.

Santa Clara County supervisors Arthur W. Brown, William S. Pfeifle, E. O. Wool, Joseph McKinnon, and Earl C. Campbell, along with other public officials and interested taxpayers of the county were invited Friday to attend the 24th annual meeting of California Taxpayers' Association, to be held in Los Angeles, Tuesday morning, February 21, at the Biltmore Hotel, 10:00 to 12:00 o'clock.

Broad-scale citizen and taxpayer problems are to be discussed by outstanding authorities. Subjects will include welfare and relief, state government reorganization, and the national situation with the country's second $5 billion peacetime deficit in prospect.

"Everybody is a taxpayer and everybody is invited to this Tax payers' meeting," A. C. Hardison, of Santa Paula, president of the organization and prominent agriculturist, said.

"With 150 taxes decorating milady's new easter bonnet, with every cigaret half smoke and half taxes, with at least 100 taxes hiding every egg, the hidden tax bill is just about as big as the direct tax bill," Hardison pointed out.

"The tax burden this year averages about $450 for each and every Californian.

"California's statewide taxpayer association invites every taxpayer to come to this meeting and find out what he or she can do to lighten this $450 per person average tax bill on Californians," Hardison said.

The oldest building standing in San Francisco is the Officers' Club in the Presidio.
